1. "A Hard Day's Night"

(Chorus) It's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright

You know I work all day to get you money to buy you things
And it's worth it just to hear you say you're going to give me everything
So why on earth should I moan, cos when I get you alone
You know I feel OK

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright

owww

So why on earth should I moan, cos when I get you alone
You know I feel OK

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright

You know I feel alright
You know I feel alright

2. "All My Loving"

(Chorus) Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

I'll pretend that I'm kissing
The lips I am missing
And hope that my dreams will come true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

All my loving I will send to you
All my loving, darling I'll be true

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

All my loving I will send to you
All my loving, darling I'll be true
All my loving, all my loving ooh
All my loving I will send to you

3. "All You Need Is Love"

Love, love, love x3

There's nothing you can do that can't be done
Nothing you can sing that can't be sung
Nothing you can say but you can learn how to play the game
It's easy

Nothing you can make that can't be made
No one you can save that can't be saved
Nothing you can do but you can learn how to be you in time
It's easy

CHORUS

All you need is love
All you need is love
All you need is love, love
Love is all you need

Love, love, love x3

CHORUS

Nothing you can know that isn't known
Nothing you can see that isn't shown
Nowhere you can be that isn't where you're meant to be
It's easy

CHORUS

All you need is love (All together, now!)
All you need is love (Everybody!)
All you need is love, love
Love is all you need
Love is all you need (Love is all you need) x2

4. "Blackbird"

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free

Black bird fly, black bird fly
Into the light of the dark black night

Black bird fly, black bird fly
Into the light of the dark black night

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
You were only waiting for this moment to arise
You were only waiting for this moment to arise

7. **"Eleanor Rigby"**

Ah, look at all the lonely people
Ah, look at all the lonely people

Eleanor Rigby picks up the rice in the church where a wedding has been
Lives in a dream
Waits at the window, wearing the face that she keeps in a jar by the door
Who is it for?
All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

Father McKenzie writing the words of a sermon that no one will hear
No one comes near
Look at him working, darning his socks in the night when there's nobody there
What does he care?

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

Ah, look at all the lonely people
Ah, look at all the lonely people

Eleanor Rigby died in the church and was buried along with her name
Nobody came
Father McKenzie wiping the dirt from his hands as he walks from the grave
No one was saved

All the lonely people
(Ah, look at all the lonely people)
Where do they all come from?
All the lonely people
(Ah, look at all the lonely people)
Where do they all belong?

8. **"From Me To You"**

Da da da da da dum dum da
Da da da da da dum dum da

(Chorus)

If there's anything that you want
If there's anything I can do
Just call on me and I'll send it along
With love from me to you

I've got everything that you want
Like a heart that's oh so true
Just call on me and I'll send it along
With love from me to you
I got arms that long to hold you
And keep you by my side
I got lips that long to kiss you
And keep you satisfied, oooh

If there's anything that you want
If there's anything I can do
Just call on me and I'll send it along
With love from me to you
From me, to you
Just call on me and I'll send it along
With love from me to you

I got arms that long to hold you
And keep you by my side
I got lips that long to kiss you
And keep you satisfied, oooh

(Chorus)

9. **"Get Back"**

Jo Jo was a man who thought he was a loner
But he knew it couldn't last
Jo Jo left his home in Tucson, Arizona
For some California grass

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back Jo Jo
Go home

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back, Jo

Sweet Loretta Martin thought she was a woman
But she was another man
All the girls around her say she's got it coming
But she gets it while she can

Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back, Loretta

Go home
Oh, Get back, get back
Get back to where you once belonged
Get back, get back
Get back to where you once belonged
Get back
Woo...

10. "Got To Get You Into My Life"

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I could see another kind of mind there

Ooh, then I suddenly see you
Ooh, did I tell you I need you
Every single day of my life

You didn't run, you didn't lie
You knew I wanted just to hold you
And had you gone you knew in time we'd meet again
For I had told you

Ooh, you were meant to be near me
Ooh, and I want you to hear me
Say we'll be together every day
Got to get you into my life

What can I do, what can I be
When I'm with you I want to stay there
If I'm true I'll never leave
And if I do I know the way there

Ooh, then I suddenly see you
Ooh, did I tell you I need you
Every single day of my life
Got to get you into my life
Got to get you into my life

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I could see another kind of mind there

Then suddenly I see you
Did I tell you I need you
Every single day?

11. "Help!"

Help! I need somebody
Help! Not just anybody
Help! You know I need someone
Help!

(When) When I was younger (When I was young) so much younger than today
(I never need) I never needed anybody's help in any way
(Now) But now these days are gone (These days are gone) and I'm not so self
assured
(And now I find) Now I find I've changed my mind, I've opened up the doors

Help me if you can, I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me?

(Now) And now my life has changed (My life has changed) in oh so many ways
(My independence) My independence seems to vanish in the haze
(But) But ev'ry now (Every now and then) and then I feel so insecure
(I know that I) I know that I just need you like I've never done before

Help me if you can, I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me?

When I was younger, so much younger than today
I never needed anybody's help in any way
(Now) But now these days are gone (These days are gone) and I'm not so self
assured
(And now I find) Now I find I've changed my mind, I've opened up the doors

Help me if you can, I'm feeling down
And I do appreciate you being 'round
Help me get my feet back on the ground
Won't you please, please help me?

Help me, help me
Ooh

12. "Here Comes The Sun"

Here comes the sun, doo-doo-doo-doo, here comes the sun
And I say it's all right

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here

Here comes the sun, doo-doo-doo-doo, here comes the sun
And I say it's all right

Little darling, the smiles returning to the faces
Little darling, it seems like years since it's been here

Here comes the sun, doo-doo-doo-doo, here comes the sun
And I say it's all right

Sun, sun, sun, here it comes x5

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear

Here comes the sun, doo-doo-doo-doo, here comes the sun
And I say it's all right

Here comes the sun, doo-doo-doo-doo, here comes the sun
It's all right
It's all right

13. "Here, There And Everywhere"

To lead a better life I need my love to be here...

Here, making each day of the year
Changing my life with the wave of her hand
Nobody can deny that there's something there

There, running my hands through her hair
Both of us thinking how good it can be
Someone is speaking but she doesn't know he's there

I want her everywhere and if she's beside me
I know I need never care
But to love her is to need her everywhere
Knowing that love is to share

Each one believing that love never dies
Watching her eyes and hoping I'm always there

I want her everywhere and if she's beside me
I know I need never care
But to love her is to need her everywhere
Knowing that love is to share

Each one believing that love never dies
Watching her eyes and hoping I'm always there

I will be there and everywhere
Here, there and everywhere

14. **"Hey Jude"**

Hey, Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey, Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And anytime you feel the pain,
Hey, Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool
Who plays it cool
By making his world a little colder

Nah, nah nah, nah nah, nah nah, nah nah

Hey, Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in,
Hey, Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you,
Hey, Jude, you'll do
The movement you need is on your shoulder

Nah, nah nah, nah nah, nah nah, nah nah yeah

Hey, Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better, better, better, better, better... oh!

Nah, nah nah, nah nah, nah, nah, nah nah, Hey, Jude

15. "I Feel Fine"

Baby's good to me, you know
She's happy as can be, you know
She said so
I'm in love with her and I feel fine

Baby says she's mine, you know
She tells me all the time, you know
She said so
I'm in love with her and I feel fine

I'm so glad that she's my little girl
She's so glad, she's telling all the world

That her baby buys her things, you know
He buys her diamond rings, you know
She said so
She's in love with me and I feel fine, mmm

Baby says she's mine, you know
She tells me all the time, you know
She said so
I'm in love with her and I feel fine

I'm so glad that she's my little girl
She's so glad, she's telling all the world

That her baby buys her things, you know
He buys her diamond rings, you know
She said so
She's in love with me and I feel fine
She's in love with me and I feel fine, mmm, mmm

16. "I Saw Her Standing There"

Well, she was just seventeen
You know what I mean
And the way she looked was way beyond compare
So how could I dance with another (Ooh)
When I saw her standing there

Well she looked at me, and I, I could see
That before too long I'd fall in love with her
She wouldn't dance with another (Whooh)
When I saw her standing there

Well, my heart went "boom"
When I crossed that room
And I held her hand in mine

Whoah, we danced through the night
And we held each other tight
And before too long I fell in love with her
Now I'll never dance with another (Whooh)
When I saw her standing there

Well, my heart went "boom"
When I crossed that room
And I held her hand in mine

Whoah, we danced through the night
And we held each other tight
And before too long I fell in love with her
Now I'll never dance with another (Whooh)
Since I saw her standing there
Oh since I saw her standing there
Oh since I saw her standing there

17. "In My Life"

There are places I'll remember
All my life though some have changed
Some forever not for better
Some have gone and some remain

All these places had their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more
In my life I love you more

18. "It Won't Be Long"

It won't be long yeh, till I belong to you

It won't be long yeh, till I belong to you

Since you left me, I'm so alone
Now you're coming, you're coming on home
I'll be good like I know I should
You're coming home, you're coming home

Every night the tears come down from my eyes
Every day I've done nothing but cry

It won't be long yeh, yeh, yeh x2
It won't be long yeh, till I belong to you

Since you left me, I'm so alone
Now you're coming, you're coming on home

I wanna hold your hand x3

And when I touch you I feel happy
Inside
It's such a feeling that my love
I can't hide x3

I think you'll understand
When I feel that something
I wanna hold your hand x4

20. "Let It Be"

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom Let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom Let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom Let it be

And when the broken-hearted people
Living in the world agree
There will be an answer Let it be

For though they may be parted there is
Still a chance that they will see
There will be an answer Let it be

Let it be, let it be, let it be, let it be
Yeah, there will be an answer Let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom Let it be

And when the night is cloudy
There is still a light that shines on me
Shine until tomorrow Let it be

I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom Let it be

Let it be, let it be, let it be, yeah, let it be
There will be an answer Let it be
Let it be, let it be, let it be, yeah, let it be
Whisper words of wisdom Let it be

My Michelle

That's all I want to say
Until I find a way
I will say the only words I know that
You'll understand

Chorus

I need to, I need to, I need to
I need to make you see
Oh, what you mean to me
Until I do I'm hoping you will
Know what I mean

I love you
I want you, I want you, I want you
I think you know by now
I'll get to you somehow
Until I do I'm telling you so
You'll understand

Chorus

And I will say the only words I know
That you'll understand, my Michelle

23. **"Norwegian Wood (This Bird Has Flown)"**

I once had a girl
Or should I say
She once had me
She showed me her room
Isn't it good
Norwegian wood

She asked me to stay
And she told me to sit anywhere
So I looked around
And I noticed there wasn't a chair

I sat on a rug
Biding my time
Drinking her wine
We talked until two
And then she said
"It's time for bed"

She told me she worked in the morning
And started to laugh
I told her I didn't
And crawled off to sleep in the bath

And when I awoke
I was alone
This bird had flown
So I lit a fire
Isn't it good
Norwegian wood

24. "Nowhere Man"

He's a real nowhere man
Sitting in his nowhere land
Making all his nowhere plans for nobody

Doesn't have a point of view
Knows not where he's going to
Isn't he a bit like you and me?

Nowhere Man, please listen
You don't know what you're missing
Nowhere Man, the world is at your command

He's as blind as he can be
Just sees what he wants to see
Nowhere Man can you see me at all?

Nowhere Man, don't worry
Take your time, don't hurry
Leave it all till somebody else lends you a hand

Doesn't have a point of view
Knows not where he's going to
Isn't he a bit like you and me?

Nowhere Man, please listen
You don't know what you're missing
Nowhere Man, the world is at your command

He's a real Nowhere Man
Sitting in his nowhere land
Making all his nowhere plans for nobody
Making all his nowhere plans for nobody
Making all his nowhere plans for nobody

25. "Ob-La-Di, Ob-La-Da"

Desmond has a barrow in the market place
Molly is the singer in a band
Desmond says to Molly, "Girl, I like your face"
And Molly says this as she takes him by the hand

(Chorus) Ob-la-di ob-la-da life goes on bra
La-la how their life goes on
Ob-la-di ob-la-da life goes on bra
La-la how their life goes on

Desmond takes a trolley to the jeweler's stores
Buys a twenty carat golden ring (Golden ring?)
Takes it back to Molly waiting at the door
And as he gives it to her she begins to sing (Sing)

Ob-la-di ob-la-da life goes on bra
La-la how their life goes on
Ob-la-di ob-la-da life goes on bra
La-la how their life goes on
yeah (No)

In a couple of years they have built
A home sweet home
With a couple of kids running in the yard
Of Desmond and Molly Jones
(Ah ha ha ha ha ha)

Happy ever after in the market place
Desmond lets the children lend a hand (Arm! Leg!)
Molly stays at home and does her pretty face
And in the evening she still sings it with the band

Ob-la-di ob-la-da life goes on bra
La-la how their life goes on
Ob-la-di ob-la-da life goes on bra
La-la how their life goes on

In a couple of years they have built
A home sweet home
With a couple of kids running in the yard
Of Desmond and Molly Jones
(Ha ha ha ha ha ha ha ha ha ha)

Yeah, happy ever after in the market place
Molly lets the children lend a hand (Foot!)
Desmond stays at home and does his pretty face
And in the evening she's a singer with the band

Ob-la-di ob-la-da life goes on bra
La-la how their life goes on
Ob-la-di ob-la-da life goes on bra
La-la how their life goes on

And if you want some fun
Take ob-la-di ob-la-da

(Thank you, uh, ha ha ha!)

26. "Paperback Writer"

Dear Sir or Madam, will you read my book?
It took me years to write, will you take a look?
It's based on a novel by a man named Lear
And I need a job, so I want to be a paperback writer
Paperback writer

It's the dirty story of a dirty man
And his clinging wife doesn't understand
His son is working for the Daily Mail
It's a steady job but he wants to be a paperback writer
Paperback writer
Paperback writer

It's a thousand pages, give or take a few
I'll be writing more in a week or two
I can make it longer if you like the style
I can change it round and I want to be a paperback writer
Paperback writer

If you really like it you can have the rights
It could make a million for you overnight
If you must return it, you can send it here
But I need a break and I want to be a paperback writer
Paperback writer

Paperback writer

Paperback writer, paperback writer
Paperback writer, paperback writer
Paperback writer, paperback writer
Paperback writer, paperback writer (fade out)

27. "Penny Lane"

In Penny Lane there is a barber showing photographs
Of every head he's had the pleasure to have known
And all the people that come and go
Stop and say hello

On the corner is a banker with a motorcar
The little children laugh at him behind his back
And the banker never wears a mac
In the pouring rain, very strange

Penny Lane is in my ears and in my eyes
There beneath the blue suburban skies
I sit, and meanwhile back

In Penny Lane there is a fireman with an hourglass
And in his pocket is a portrait of the queen
He likes to keep his fire engine clean
It's a clean machine

Penny Lane is in my ears and in my eyes
A four of fish and finger pies
In summer, meanwhile back

Behind the shelter in the middle of a roundabout
The pretty nurse is selling poppies from a tray
And though she feels as if she's in a play
She is anyway

In Penny Lane the barber shaves another customer
We see the banker sitting waiting for a trim
And then the fireman rushes in
From the pouring rain, very strange

Penny Lane is in my ears and in my eyes
There beneath the blue suburban skies
I sit, and meanwhile back

Penny Lane is in my ears and in my eyes
There beneath the blue suburban skies
Penny Lane

28. "Please Please Me"

Last night I said these words to my girl
I know you never even try, girl
C'mon (C'mon), c'mon (C'mon), c'mon (C'mon), c'mon (C'mon)
Please please me, oh yeah, like I please you

You don't need me to show the way, love
Why do I always have to say "love"
C'mon (C'mon), c'mon (C'mon), c'mon (C'mon), c'mon (C'mon)
Please please me, oh yeah, like I please you

I don't wanna sound complaining
But you know there's always rain in my heart (In my heart)
I do all the pleasing with you, it's so hard to reason
With you, oh yeah, why do you make me blue

Last night I said these words to my girl
I know you never even try, girl
C'mon (C'mon), c'mon (C'mon), c'mon (C'mon), c'mon (C'mon)
Please please me, oh yeah, like I please you

(Me) Whoa yeah, like I please you
(Me) Whoa yeah, like I please you

29. "Sgt. Pepper's Lonely Hearts Club Band"

It was twenty years ago today
Sergeant Pepper taught the band to play
They've been going in and out of style
But they're guaranteed to raise a smile
So may I introduce to you
The act you've known for all these years?
Sergeant Pepper's Lonely Hearts Club Band

We're Sergeant Pepper's Lonely Hearts Club Band
We hope you will enjoy the show
We're Sergeant Pepper's Lonely Hearts Club Band
Sit back and let the evening go
Sergeant Pepper's lonely, Sgt. Pepper's lonely
Sergeant Pepper's Lonely Hearts Club Band

It's wonderful to be here
It's certainly a thrill
You're such a lovely audience
We'd like to take you home with us
We'd love to take you home

I don't really want to stop the show
But I thought you might like to know
That the singer's going to sing a song
And he wants you all to sing along
So let me introduce to you
The one and only Billy Shears
And Sergeant Pepper's Lonely Hearts Club Band, yeah

30. "She Loves You"

She loves you, yeah, yeah, yeah x2
She loves you, yeah, yeah, yeah, yeah

You think you lost your love
Well, I saw her yesterday
It's you she's thinking of
And she told me what to say

She says she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad

She said you hurt her so
She almost lost her mind
But now she says she knows
You're not the hurting kind

She says she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad, ooh

She loves you, yeah, yeah, yeah x2
And
(Chorus) with a love like that
You know you should be glad

You know it's up to you
I think it's only fair
Pride can hurt you too
Apologize to her

Because she loves you
And you know that can't be bad
Yes, she loves you
And you know you should be glad, ooh
She loves you, yeah, yeah, yeah x2

with a love like that
You know you should be glad x3
Yeah, yeah, yeah
Yeah, yeah, yeah, yeah

31. **"Strawberry Fields Forever"**

Let me take you down, 'cause I'm going to Strawberry Fields
Nothing is real and nothing to get hung about
Strawberry Fields forever

Living is easy with eyes closed
Misunderstanding all you see
It's getting hard to be someone but it all works out
It doesn't matter much to me
Let me take you down, cause I'm going to Strawberry Fields
Nothing is real and nothing to get hung about
Strawberry Fields forever

No one I think is in my tree
I mean it must be high or low
That is you can't you know tune in but it's all right
That is I think it's not too bad
Let me take you down, cause I'm going to Strawberry Fields
Nothing is real and nothing to get hung about
Strawberry Fields forever
Always know, sometimes think it's me
But you know, I know when it's a dream
I think a "No," I mean a "Yes"
But it's all wrong
That is, I think I disagree

Let me take you down, cause I'm going to Strawberry Fields
Nothing is real and nothing to get hung about
Strawberry Fields forever x3

32. "The Long And Winding Road"

The long and winding road, that leads, to your door
Will never disappear, I've seen that road before
It always leads me here, lead me to your door
The wild and windy night, that the rain, washed away
Has left a pool of tears, crying for the day
Why leave me standing here, let me know the way

Many times I've been alone, and many times I've cried
Any way you'll never know, the many ways I've tried
And still they lead me back, to the long winding road
You left me standing here a long long time ago
Don't leave me waiting here, lead me to your door

But still they lead me back to the long winding road
You left me standing here, a long long time ago
Don't keep me waiting here (Don't keep me waiting), lead me to your door
Yeah, yeah, yeah, yeah

33. "Ticket To Ride"

I think I'm gonna be sad
I think it's today, yeah
The girl that's driving me mad
Is going away
She's got a ticket to ride x3
But she don't care

She said that living with me
Is bringing her down, yeah
For she would never be free
When I was around
She's got a ticket to ride x3
But she don't care

I don't know why she's riding so high
She ought to think twice
She ought to do right by me
Before she gets to saying goodbye
She ought to think twice
She ought to do right by me

I think I'm gonna be sad
I think it's today, yeah
The girl that's driving me mad
Is going away, yeah
Oh, she's got a ticket to ride
She's got a ticket to ride x2
But she don't care

I don't know why she's riding so high
She ought to think twice
She ought to do right by me
Before she gets to saying goodbye
She ought to think twice
She ought to do right by me

She said that living with me
Is bringing her down, yeah
For she would never be free
When I was around
Ah, she's got a ticket to ride
She's got a ticket to ride x2
But she don't care

My baby don't care, my baby don't care x2
My baby don't care, my baby don't care (fade out)

34. "We Can Work It Out"

Try to see it my way
Do I have to keep on talking till I can't go on?
While you see it your way
Run the risk of knowing that our love may soon be gone

We can work it out x2

Think of what you're saying
You can get it wrong and still you think that it's alright
Think of what I'm saying
We can work it out and get it straight, or say goodnight

We can work it out x2

Life is very short, and there's no time
For fussing and fighting, my friend
I have always thought that it's a crime
So I will ask you once again

Try to see it my way
Only time will tell if I am right or I am wrong
While you see it your way,
There's a chance that we might fall apart before too long

We can work it out x2

Life is very short, and there's no time
For fussing and fighting, my friend
I have always thought that it's a crime
So I will ask you once again

Try to see it my way
Only time will tell if I am right or I am wrong
While you see it your way
There's a chance that we might fall apart before too long

We can work it out
We can work it out

35. "When I'm Sixty Four"

When I get older losing my hair
Many years from now
Will you still be sending me a valentine
Birthday greetings, bottle of wine?
If I'd been out till quarter to three
Would you lock the door?
Will you still need me, will you still feed me
When I'm sixty four?

You'll be older too
And if you say the word
I could stay with you

I could be handy, mending a fuse
When your lights have gone
You can knit a sweater by the fireside
Sunday mornings go for a ride
Doing the garden, digging the weeds
Who could ask for more?
Will you still need me, will you still feed me
When I'm sixty four?

Every summer we can rent a cottage in the Isle of Wight
If it's not too dear
We shall scrimp and save
Grandchildren on your knee
Vera, Chuck and Dave

Send me a postcard, drop me a line
Stating point of view
Indicate precisely what you mean to say
Yours sincerely, wasting away
Give me your answer, fill in a form
Mine forevermore
Will you still need me, will you still feed me
When I'm sixty four?
Ho!

36. "With A Little Help From My Friends"

What would you think if I sang out of tune
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key
Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Mm gonna try with a little help from my friends

What do I do when my love is away?
(Does it worry you to be alone?)
How do I feel by the end of the day?
(Are you sad because you're on your own?)
No I get by with a little help from my friends
Mm I get high with a little help from my friends
Mm gonna try with a little help from my friends

(Do you need anybody?)
I need somebody to love
(Could it be anybody?)
I want somebody to love

(Would you believe in a love at first sight?)
Yes I'm certain that it happens all the time
(What do you see when you turn out the light?)
I can't tell you, but I know it's mine
Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Oh I'm gonna try with a little help from my friends

(Do you need anybody?)
I just need someone to love
(Could it be anybody?)
I want somebody to love

Oh I get by with a little help from my friends
Mm gonna try with a little help from my friends
Oh I get high with a little help from my friends
Yes I get by with a little help from my friends
With a little help from my friends

37. **"Yellow Submarine"**

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines

So we sailed up to the sun
'Til we found the sea of green
And we lived beneath the waves
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all aboard
Many more of them live next door
And the band begins to play

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

Full speed ahead, Mr. Boatswain, full speed ahead!
Full speed it is, Sergeant!
Cut the cable, drop the cable!
Aye-aye, sir, aye-aye!
Captain, Captain!

As we live a life of ease (a life of ease)
Everyone of us (everyone of us) has all we need (has all we need)
Sky of blue (sky of blue) and sea of green (sea of green)
In our yellow (in our yellow) submarine (submarine, ah-ha)

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

38. "Yesterday"

Yesterday all my troubles seemed so far away.
Now it looks as though they're here to stay.
Oh, I believe in yesterday.

Suddenly, I'm not half the man I used to be.
There's a shadow hanging over me.
Oh, yesterday came suddenly.

Why she had to go?
I don't know, she wouldn't say.
I said something wrong.
Now I long for yesterday.

Yesterday love was such an easy game to play.
Now I need a place to hide away.
Oh, I believe in yesterday.

Why she had to go?
I don't know, she wouldn't say.
I said something wrong.
Now I long for yesterday.

Yesterday love was such an easy game to play.
Now I need a place to hide away.
Oh, I believe in yesterday.

Mm mm mm mm mm mm mm.

Here are 2 more cover songs the Beatles made their own and played a lot!

39. **"Johnny B. Goode"**

Deep down in Louisiana
Close to New Orleans
Way back up in the woods
Among the evergreens
There stand a country cabin
Made of clay and wood
Where lives a young country boy
Named Johnny B. Goode
He never ever learned
To read or write a book so well
But he could play his guitar
Just like a-ringing a bell

(Chorus) **Go go, go Johnny go go go!
Aah Johnny B. Goode!**

He used to carry his guitar
In a gunny sack
Sit beneath the trees
By the railroad track
Oh sitting and a-playing
In the shade
Drumming to the rhythm
That the drivers made
People passing by
Used to stop and say
My oh my
That country boy can play

Chorus

Well his mama told him
Someday you will be a man
And you will be the leader
Of a big old band
Many people coming
From miles around
To hear you play your music
Till the sun goes down
Maybe some day
Your name will be in light
Saying Johnny B. Goode tonight!

Chorus
