

# CRACK THE CODE!

NAME .....

## NOTES ON THE LINES

Make up your own phrase if you like!

## NOTES IN THE SPACES

Every Good Boy Deserves Fun      F A C E Spells FACE

E..... G..... B..... D..... F.....      F..... A..... C..... E.....

Letters are a bit like stabilisers on a bike... You need to lose them at some point to go fast!

## SHAPES

Can you play these lines?

RUB OUT some letters on a song you know well... Can you still play it?

Notes sound the same when on the same line

Notes sound higher when a line goes up

... and Notes sound lower when they go down

\*\* Make up your own! \*\*

follow the shape

DRAW some more

Can you make up a short 4-bar piece? Start on B.. Draw a line or notes!

Draw 5 Treble Clefs (also called G Clefs!)

Rhythms - Strum this over an E minor chord

EXTRA - Try a different chord! Could you change chord in the middle? or each bar? write more on the back of the sheet!

1 2 + 3 4      1 2 + 3 + 4      1 (2) 3 (4)      1 2 3 (4)
